Dear members of the committee,

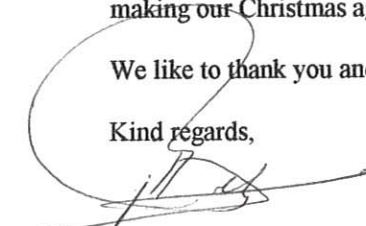

Because part of the crew doesn't have the Dutch nationality, I will communicate to you in the English language.

We like to take this opportunity to express our gratitude for all the good work your committee is doing during over the past 60 years to provide the Dutch ships, all over the world, with small personal Christmas gifts. Gifts very well appreciated by our Dutch and foreign crew.

This year we are sailing on the Atlantic ocean almost near the equator underway to Douala/Cameroon[West Africa] far away from our love ones. We were able to have a comfortable Christmas Eve in which your gifts, Christmas message and music made an important part of our Christmas celebration and have been making our Christmas again very special.

We like to thank you and wish you all a happy and prosperous 2008.

Kind regards,

  
Captain P.A. Drent
